

PRESS RELEASE

Tsain-Ko Centre is pleased to announce that Panago Pizza is expanding to Sechelt, BC, and has chosen the new expansion at the shishalh Nation's Tsain-Ko Centre to open its doors.

As Panago Pizza continues its successful expansion across the Country, a new location in Sechelt at the Tsain-Ko Village Shopping Centre is now available to franchise. Set to open later this year, this is a great opportunity to own your own business.

For over 35 years, Panago has been a favourite in communities across the country, and the brand is continuing to expand into new markets. In May, Ottawa's third location opened on Rideau St, marking Panago's 200th location. As one of Canada's most loved pizza brands, Panago consistently delivers fresh, high-quality products and exceptional customer support on every order.

With a focus on real ingredients, Panago is committed to offering the best quality toppings. That's why the brand continues to improve its ingredients with 8 meats raised without the use of antibiotics, and 100% organic Italian tomato sauce. With customers looking for more dietary options, Panago Pizza is a national pizza brand that offers something for everyone.

Panago's focus on food quality and exceptional customer experience drives sales while exceeding industry expectations. Fully committed to ongoing business success, all franchisee partners receive ample support through extensive training and education from opening and beyond. Panago continues to source new locations and franchisees across Canada with units ranging from 1000 to 1300 square feet. With over \$160 million in sales annually, Panago's proven track record has led to 200 Stores across Canada.
