Re: Tsain-Ko Centre Phase 3 Expansion

**Employment and Contracting Opportunities**

Tsain-Ko Centre is pleased to begin reviewing interest for employment and contracting opportunities for the continued expansion of Phase 3, slated to restart this summer. **We expect there to be at least 3 large buildings at various stages of construction between August 2019 and November 2020, with a high likelihood of further construction beyond that.**

Tsain-Ko is continuing to work with Converge Construction as General Contractor and is looking for all interested candidates to submit their updated resumes and areas of interest based on the attached scope chart.

We will be working closely with Converge and all sub-contractors to ensure that we maximize Nation member employment and contracting. Given the volume of construction planned, there are strong opportunities for longer term employment, higher level positions, and skill development in trades.

**To submit your resume and areas of interest, or to schedule a time to discuss further** (if you haven't done so already), please contact Jason Jenkins, Economic Development Officer at [jjenkins@tsain-ko.com](mailto:jjenkins@tsain-ko.com) or Sarah Joe at [sarahjoe@tsain-ko.com](mailto:sarahjoe@tsain-ko.com).
